 - B. FOR COOLED SHIPPED SEMEN: The balance of \$1,750 for the Stallion Fee plus any associated shipping fees shall be due and payable 10 days prior to ordering semen. All requests for transported cool shipped semen shall be filled as received, subject to availability of semen, and at the sole discretion of the Manager. It is hereby understood that mares located on the Breeding Farm will be serviced first.
2. Mare Owner warrants that the Mare is healthy, in sound breeding condition, is halter broken and registered with the breed association shown above. Breeding Farm retains the right to require a negative uterine culture or equine cytology with sensitivity test for barren mares or any mare requiring more than (3) semen shipments in a breeding season. A current, legible copy of the Mare's registration papers (both sides) must be attached to, and will become a part of, this Contract.
3. The Breeding Farm requires the mare's vaccination and deworming records as well as current coggins test upon mare's arrival to the breeding farm. In the event the documentation is not provided the breeding farm shall have the attending veterinarian perform these test and procedures at the mare owner's expense.
4. All parties agree to diligently try to settle mare. Should mare not settle, mare owner will hold the Breeding Farm and Manager harmless from any resulting loss or damages.
5. Breeding Farm and Manager shall not be liable for any injury, sickness, disease or death of Mare or her offspring arising from the exercise of the breeding rights and privileges granted herein.
6. Mare Owner agrees and understands that it is Mare Owner's financial responsibility to provide Mare with proper veterinary care and veterinary services. Mare Owner understands that if Mare is or appears sick or injured, Manager will first try to contact Mare Owner. If Mare Owner is unavailable, or Mare has an emergency, Mare Owner gives Breeding Farm and Manager authority and permission to call the first available veterinarian or administer such care as Breeding Farm deems necessary.
7. Live Foal Guarantee (LFG). Breeding Farm provides a limited guarantee that a single "Live Foal" will result from the breeding privilege granted herein. The term "Live Foal" means that a foal stands alone, nurses, and lives for twenty- four (24) hours. If a Live Foal does not result from the breeding Mare Owner will be entitled to rebreed Mare to Stallion in the following breeding season only with payment of applicable shipping or farm fees.
 - A. Mare Owner must notify Breeding Farm within 48 hours of slippage or foaling that the breeding did not produce a Live Foal; and
 - B. Within fourteen (14) days after the mare owner's notice to the Breeding Farm, provide written certification by a licensed veterinarian that the Mare slipped or produced a non-viable foal.
8. Mare owner shall not sell or assign this breeding contract without prior written consent of the Breeding Farm. There shall be no substitution of mares without the express written consent of the Breeding Farm. Any attempt to assign this Contract or substitute mares without the prior written consent of the Breeding Farm will terminate this Contract and release the Breeding Farm from any obligations contained herein.
9. Embryo Transfer. If more than one embryo results from a breeding during embryo harvesting, Mare Owner must pay an additional Stallion Service fee within sixty days (60) days of confirmed pregnancy in order to receive a certificate for the additional foal(s). However, if mare has a twin birth resulting in two foals that stand and nurse an additional certificate will be issued at no extra charge.
10. It is further agreed that if the Mare dies before producing a live foal or becomes unfit to breed before being pronounced safe in foal; the Mare Owner may breed a substitute mare for the current breeding season or the following season only. No stud fees will be refunded.
11. **WARRANTY. NO WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, SHALL ACCOMPANY A BREEDING TRANSFER BY THIS CONTRACT. NO GUARANTEE OF DELIVERY OF SHIPPED SEMEN WITHIN A CERTAIN TIME PERIOD OR GUARANTEE THAT SHIPPED SEMEN WILL SAFELY REACH THE INSEMINATION POINT OR WILL BE THAWED WITHOUT LOSING SOME OF ITS INTEGRITY, QUALITY OR CHARACTERISTICS IS GIVEN BY THIS CONTRACT.**
12. In return for the use, today and on all future dates of the property, facilities, and services of Breeding Farm and the Manager, (herein collectively referred to as "Facilities") Mare Owner, and his/her heirs, assigns, and legal representatives, hereby expressly agree to the following.

- D. Mare Owner agrees to waive the protection afforded by any statute or law in any jurisdiction whose purpose, in substance and/or effect is to provide that a general release shall not extend to claims, material or otherwise, which the person giving the release does not know or suspect to exist at the time of executing the release.
- E. Mare Owner agrees to indemnify and to hold harmless Breeding Farm, the Manager, its affiliates, and their respective officers, directors, agents and employees, against any and all losses, claims, damages and expenses, including reasonable and necessary attorney's fees, to the extent any such losses, claims, damages and expenses are due to the acts or omissions of Mare Owner, its officers, directors, agents and employees. Breeding Farm and the Manager, in their sole discretion, shall select counsel to defend any action pursuant to this indemnity. Breeding Farm or the Manager may elect to settle or compromise any claim or cause of action for which indemnification is sought from Mare Owner without the permission of Mare Owner. To the extent Mare Owner fails to promptly provide indemnification after ten (10) days' notice by Breeding Farm or the Manager, Mare Owner shall be responsible for Manager's attorney fees incurred in the enforcement of this Indemnification provision.
